Visibility and Prominence
that doesn't exist anywhere else

About Us

Eminenz is an advertising, marketing and corporate communications company. Eminenz provides advertising, promotional marketing and other specialty communications services.

With an array of clients from different industries our advertising agency services are unlike any other agency. When a company uses our services or partners with us it joins an organization with years of experience and talented staff.

Print Media

As much as we love the online world, there's still something so solid, satisfying, and sensual about a professionally-done print piece.

Print Media Services is dedicated to providing fully integrated solutions for your graphic and printing needs. Committed to excellence, our team of specialists will ensure your projects are produced to your desired specifications with expertise and efficiency.

Eminenz can provide you with the top-notch print design services you deserve. We will design and produce printed products for your company's business and promotional needs. Services include design and production for the items listed below and other specialized print media products.

- Logos
- Flyers
- Brochures
- Catalogues
- Profiles
- Newsletters
- Business Cards
- Presentation Folders

and other promotional products

Our relationships are important to us. Every step of the way, you can rest assured that you've found a partner you can trust.

Online

Your corporate website is your company in many ways. It's your organization's online 'face,' and people all around the world will judge you by it. Do everything you can to make a strong & positive impression.

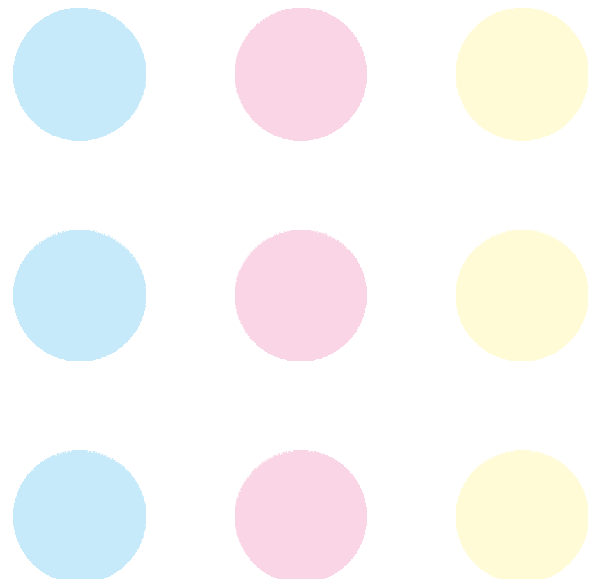

Eminenz can help you make the right impression. Our Creative group and corporate website development team can sculpt the professional & attractive online presence you want.

We have the vision & skills to do justice to your brand, your customers, your culture and your business goals.

And if Value is one of your goals, we offer that too. Our design is top tier. Contact us and you'll be very pleasantly surprised by how affordable elegance & beauty can be.

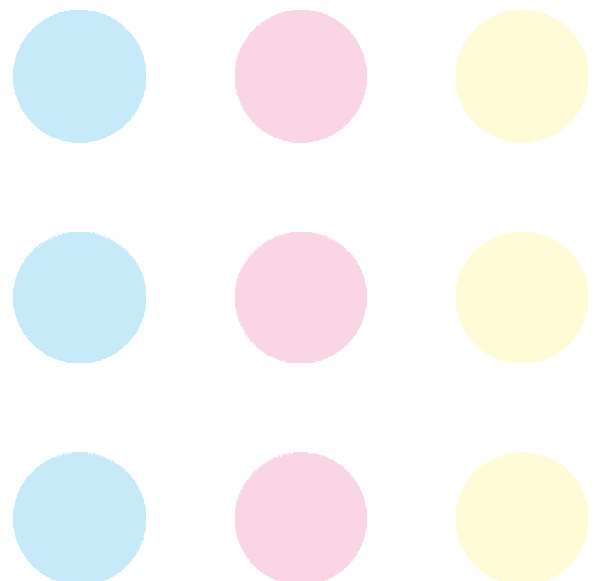

Balance in All Things

- Professional & Elegant Design
- Consistent Branding
- Clear Presentation of Information
- Easy-to-use Site Navigation
- Secure Transactions

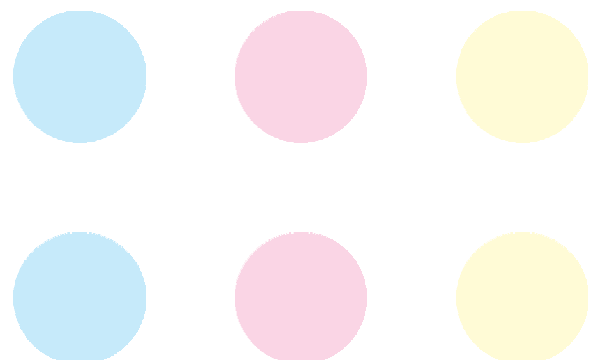

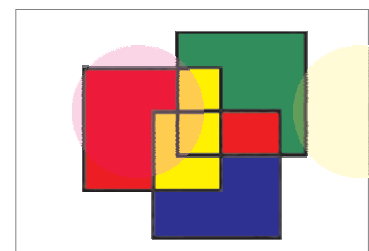

Out-Of-Home (OOH)

Out-of-home media advertising is more effective and affordable than you may realize. Outdoor advertising is used by almost every type of business. Entertainment & Amusements, Media, Retail, Travel and Consumer Goods are among the top categories. Outdoor advertising is the message, and it will always be the first mass medium to get noticed, draw attention, and sell.

Our Clientele
